**GENERAL INFORMATION**

The \_\_\_\_\_ oversees all BSA related operations in the geographic area which covers \_\_\_\_\_. The district is made up of volunteer leaders who help mobilize resources to ensure the growth and success of the Scouting programs within the \_\_\_\_\_ communities. Like all Scouting districts, the \_\_\_\_\_ District is responsible for carrying out five standard functions: membership, finance, program, and unit service.

- The **Membership Subcommittee** strives for growth through the organization of new Scouting units and growth through new members joining existing units.
- The **Finance Subcommittee** sees that the district provides its share of funds to the total council operating budget through the Friends of Scouting Campaign and fiscally strong event budget auditing. The finance sub committee also oversees the sales of Trails End © Popcorn in the Fall and Scout Fair Value Packs in the Spring.
- The **Program Subcommittee** concentrates on helping Scouting units with camp promotion; special district activities, including community service projects; training adult volunteers; and youth advancement and recognition.
- The **Commissioner Staff or Unit Service Function** provides direct coaching and consultation by district volunteers for adult leaders in a Scouting Unit to help ensure the success of every Scouting program.

Members of the district committee carry out the membership, finance, and program functions. The district commissioner staff carry out the unit service function. The district chairperson is a member of the council executive board. The district commissioner meets with the council commissioner and other district commissioners on a regular basis. The chairperson of each district operating committee may be a member of the corresponding council committee. The district chairperson, one or more vice chairpersons, the district commissioner, operating committee chairmen and district committee are elected by the district members-at-large and the Charter organization representatives from a slate agreed upon and presented by the district’s nominating committee. Newly elected officers and members at large take office immediately upon election.
